

Drought Resilience WORKSHOPS

COMMUNITY IMPACT PROGRAM

This event is supported by Food & Fibre
Gippsland through funding from the Future
Drought Fund's Helping Regional
Communities Prepare for Drought
Community Impact Program

WORKSHOPS FOR COMMUNITY GROUPS AND BUSINESSES SERVICING THE AGRICULTURAL SECTOR

What to expect

Led by facilitator Jenny O'Sullivan, these **free** workshops will explore how community groups and organisations can help farmers better prepare for and respond to drought, with emphasis on the different stages of drought and its impact on businesses and people. Workshop content will consider the role of farmers, key service providers and organisations in building resilience and capacity within our region.
